

WISCONSIN RAIN GARDEN EDUCATOR'S KIT ORDER FORM

The kit contains a CD with three PowerPoint presentations and a digital photo library with photos and figures in both .jpeg and .tiff format. It also contains several case studies of rain garden installations from around the state, potential speaker contacts, internet web links, newspaper stories, sample workshop materials, and hard copies of rain garden publications.

Name: _____

Org./agency/business: _____

Address: _____

City, State, Zip: _____
